Nov 2019

### **President's Corner November**

PWARC has had a busy couple of months - our annual Fox Hunt attracted a number of members and youngsters, who learned a lot about direction finding. Dan W0OJW's move went very well, and he is back on the air. The Tailgate swap meet was a success with members from PWARC and PARC showing up. The JOTA also proved a success, with Dan W0OJW running an IC-7300 to a 20-meter dipole. He helped Scouts talk with other stations and Scouts from Illinois, Michigan, New York, California, British Columbia, and even the Netherlands. Randy KE0GMS was a VE for testing at the end of the day. The new after-rag-chew board meeting schedule seems to be a success; our next Board Meeting is this Saturday Nov 2 in the Lamb room. All active members are welcome as usual, as guests.

It is time for our annual internal audit. Again, I hope all members will think about helping the club this coming year by volunteering to fill the open officer positions of President and Secretary. You will have lots of support from veteran officers. Finally, please start thinking about volunteering as presenters for the General Class starting in January.

## Net Report

From Dan W0OJW, Net Manager

Over the past two months, your ol' net manager and vice president has had quite a moving experience! And so many of you have had a big part to play in that. And we're all still friends ... I think! You all went more than the extra mile in transferring both my treasures and my clutter from one place to another. I can't thank you enough! I don't plan to waste your grand efforts on my behalf. I'll continue being of service to PWARC, anyone personally, and to other people and projects I don't yet know about.
